Subject: timeframe?

Hi Nancy, Rebecca asked me to ask you a question....

I believe our UIC comment period is over on January 8, 2018. Is there a specific time frame for EPA to respond to comments and issue the final UIC? I have looked in the regs and can't find it, but I admit, my search was not that thorough. I thought you might have the answer off the top of your head.

Thanks,

Alison H. Jones, R.G.
